**EDUCATIONAL SURVEY REPORT**  
**(Self Awareness, Learning Style and Self-Study)**  
**Congratulations! You have completed the test.**  
**Your score is 52.75**

- 1 I have no role models at present.  
**Tips:** You need to know your skill and talent and aspire to play the roles of any successful person in your area of concern.
- 2 I am not worthy enough so that people may respect me.  
**Tips:** We have been gifted with special talent and genius within us with individual difference, so we should give due respect to each and everyone.
- 3 I know my weak points and I will improve scoring higher.  
**Tips:** Scoring high is the academic excellence test which is important but we can achieve our goals through positive and proactive efforts committedly.
- 4 I am not intelligent enough to support my friends in studies.  
**Tips:** Helping is for the disables so we should support the others inducing to help themselves.
- 5 I am not generally offended when teased as this is their lookout.  
**Tips:** We should believe ourselves from within without underestimating ourselves. No one can ever devaluate us.
- 6 I listen to people and give my logical opinions amiably.  
**Tips:** First understand yourself to be understood for being highly effective in your life.
- 7 Mostly I am unable to find alternative solutions to various problems.  
**Tips:** Problems are always there naturally in every now and then. The good thing is that there are numerous solutions and options to be explored.
- 8 I mostly express my own views on the particular issue.  
**Tips:** Listen to everyone but act upon to the best and suitable opinion of others. Think independently and express your views not to please or satisfy others.
- 9 I may express my imagination power in writing, too.  
**Tips:** Thinking, imagination and vision are the special attributes of human life. So successful life needs their execution.
- 10 I have not thought of my career goals yet.  
**Tips:** Make academic and career goals of your own life and strive for it.
- 11 I don't take decisions of my own; I need support in my daily life.  
**Tips:** Take logical and critical decision yourself for individual and social success.

- 12 I get disturbed and become afraid of the problems in my studies.  
**Tips:** Problems and hurdles in life are the test for getting success if you overcome. It is the stepping stone, not the stopping stone.
- 13 I hesitate in expressing my feelings to others.  
**Tips:** Be clean, free, friendly, logical and realistic in communicating others.
- 14 I am scared to talk with my peers and teachers.  
**Tips:** Being open and cheerful is a fascinating personality to get favourable response of others.
- 15 I am disturbed and become hopeless in adverse situations.  
**Tips:** Being balanced, calm, patient in abnormal situations is always rewarding in personal victory.
- 16 I remain quiet in my class but bold on the playground and outside.  
**Tips:** Listening, speaking and acting should be done in sequence.
- 17 I love to give time on computer, video games and TV sports as my hobby.  
**Tips:** Happy is a person who makes his hobby a profession. So computing skill, reading, writing, music, dance and various such things are helpful for you in the future.
- 18 I present my homework casually and sometimes incomplete.  
**Tips:** You display your external personality in academics with your decent school projects, good handwriting and artwork.
- 19 I prefer playground games like jumping ropes, etc. as my outdoor activities.  
**Tips:** You should be sociable, self-motivated and directed towards your personal goal.
- 20 I require frequent teacher assistance and often touch the person whom I talk.  
**Tips:** You need recreation in your daily life through playing individual outdoor games like badminton, running, bicycling taking less time to suffice your study time.
- 21 I become impatient, moody and easily frustrated.  
**Tips:** Controlling negative emotions like anger, hatred, enmity, etc. is essential for successful social and individual life.
- 22 I memorise by writing and using mental pictures.  
**Tips:** All methods of memorising include concentration, practice, patience, perseverance and revision. So adopt various memory techniques for academic success.
- 23 I excel in English, Social Studies, Foreign language and Reading.  
**Tips:** You should excel in all subjects whether in Maths, languages, music, dance, social studies, life skills for holistic success.
- 24 My daily life is quite busier to devote time for self-study.  
**Tips:** You must make a goal and devote maximum time of study to achieve the same during your formative age of schooling.
- 25 I want to excel by improving my grade to at least one step above this year.  
**Tips:** Make your goal realistic, achievable and time bound.
- 26 My parents teach me on weekends only  
**Tips:** You should rely on self study and seek various sources like friends, peers, school teachers, parents, neighbours, mentors, etc. where you really need support.

- 27 The school should review & revise the last chapter while teaching the present one.  
**Tips:** The school devotedly plans for the all round development of the students. So, availing the benefit you should understand the opportunities to get success.
- 28 I study the particular chapter in advance.  
**Tips:** You should study the chapters beforehand as first reading in the class, second reading as your homework and the third reading with different sources. Be prepared through frequent revisions and daily tests.
- 29 I memorise the answers suggested and checked in the school by writing it down.  
**Tips:** Revise the chapters withing 48 hours, then weeklym fortnightly and monthly. First revise then proceed for all the subjects.
- 30 Maths, Science, Computing are my most favourite subjects.  
**Tips:** Your least favourite subjects should be given more attention and sufficient time to make it a favourite one.
- 31 My present grade in exam is B.  
**Tips:** Always aim to achieve the best grade in the exam through hard and smart study habits.
- 32 I am not satisfied with my performance in the school result.  
**Tips:** You should be satisfied with your excellent efforts for further success.
- 33 I sometimes help others.  
**Tips:** Help everyone who deserves to get your help and is really in need.
- 34 Sometimes, I make new friends very fast.  
**Tips:** Make friends to everyone but always believe in yourself. Don't misguide others or be misguided by anyone. Friend in need is a friend indeed.
- 35 Sometimes, I love solving puzzles, logical problems.  
**Tips:** Solving puzzles, quizzes activate your mind and stimulates the logical reasoning helping to take decisions fast and accurate in your daily life in all situations.
- 36 Sometimes, I manage my time well during exams.  
**Tips:** Find the ratio of score per time for each question sparing 15 minutes for reading questions and revision and stick to it punctually.
- 37 I sometimes support my parents.  
**Tips:** Your academic, behavioral and all-round mental development is the greatest support to your parents.
- 38 Sometimes, I appear for various competitive exams.  
**Tips:** Participate in various competitive exams to measure your excellence, induce competitiveness into yourself.
- 39 Sometimes, I respect other people.  
**Tips:** Give due respect to everone - even to the youngsters to get back the same.
- 40 I, sometimes, love spending time on facebook, whatsapp etc.  
**Tips:** Facebook and Whatsapp are the latest development in the technology which should be utilised strictly to your studies.

- 41 Sometimes, I am in the habit of reading books.  
**Tips:** Always read good moral stories and practice the ideals in your daily living. Don't read petty and shabby literature.
- 42 Sometimes, I have good writing habits.  
**Tips:** Do write your feelings; record and track your daily activity and analyze the same for improving upon the shortcomings, mistakes, etc. if any.
- 43 I, sometimes, wake up early in the morning to study.  
**Tips:** In case of lack of self-study, adverse environment and situation in daytime is all right, but have sufficient rest daily (7-8 hours).
- 44 Sometimes, I have good memory power.  
**Tips:** Try further to write and speak after listening or watching TV news, etc. as good as you can. There is still multiple times more capacity in your brain for memory.
- 45 Sometimes, I manage my time to study sufficiently.  
**Tips:** Manage your time to devote in studies out of the less important works as per your goal.
- 46 Sometimes, I spend most of my time with mobile phones which should be avoided.  
**Tips:** Never be addicted to mobile phones or anything which hampers your studies. This is for your own benefit and not undue benefit of others to call you worthlessly.
- 47 Sometimes, I talk too much.  
**Tips:** Word has power. Always save your power by talking less and working more.
- 48 Sometimes, I waste my time and my day by doing nothing valuable.  
**Tips:** Time is precious and never comes back once it goes by. Your life is counted by seconds into years. Utilize every second of your time for the achievement of your lifetime.
- 49 Sometimes, I tell lies to conceal my shortcomings but I should improve thereon.  
**Tips:** Truth is God. Speak the truth, which is equal to worshipping God. Have confidence in you. Nothing is wrong but concealing the truth from others provokes you to tell a lie. A single lie attracts many lies to justify the same and you are very frightened to think of it being disclosed. Truth is the ultimate winner.
- 50 Sometimes, I quarrel with my friends/brothers & sisters which I should avoid.  
**Tips:** This is natural in childhood. Now you are growing up to get matured. Be compassionate not to quarrel for trifles and control the situation with wits and humour in such cases.
- 51 Most of the time, I cheat my playmates while playing which is unfair.  
**Tips:** You cheat your friend for winning the play. Even after such victory you fail to win and remain discontented and hate yourself from within. Be bold enough to face your failures, as 'failures are the pillars to success'. You are born to win ultimately.
